You smile at me.

You smile at them.

I smile at you.

Now we're a pair.
One and one
makes two.

They smile at you.

And we've made a circle of smiles.

A circle of smiles is a ring
you can wear.
A circle of smiles is a gift
you can share.

Sister to brother,

Friend to friend,

Circles of smiles are rings
that never end.

I smile at him.

He smiles at me.

I smile at you.

Now we
are three.

A circle of smiles gets
sweeter as it grows.

The stranger you smile at
is now someone you know.

A circle of smiles is a ring
you can wear.
A circle of smiles is a gift
you can share.

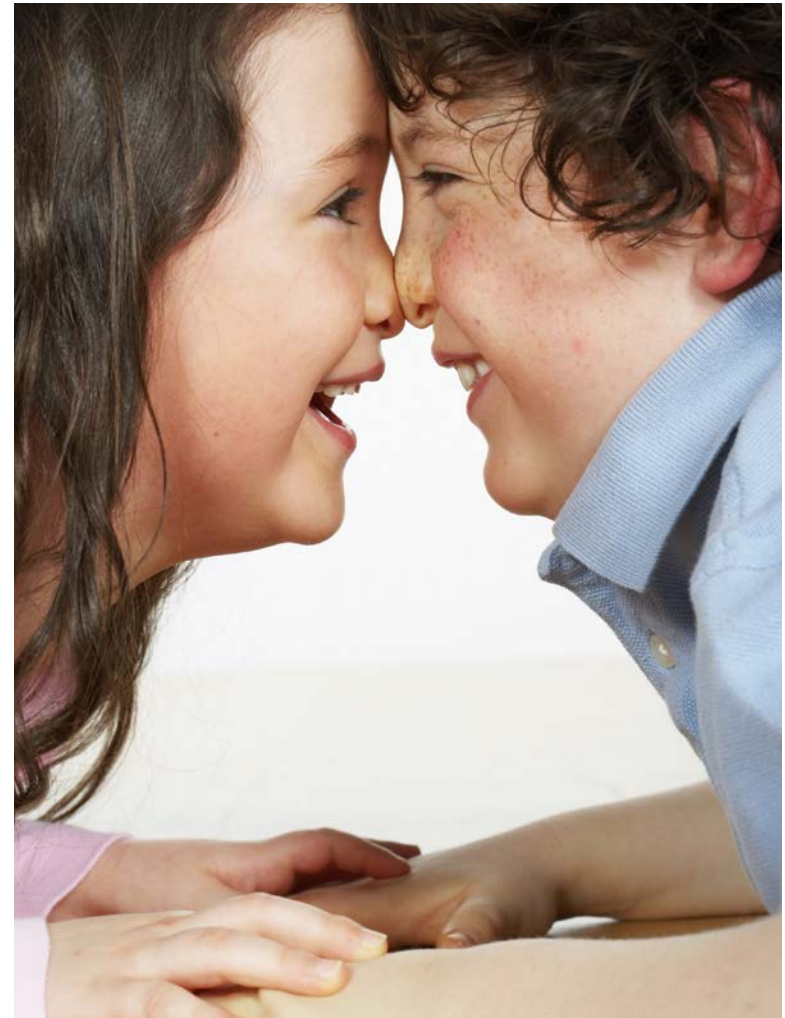

Sister to brother,

Friend to friend,
Circles of smiles are rings
that never end.

A circle of smiles is a ring
you can wear.
A circle of smiles is a gift
you can share.

Sister to brother,
Friend to friend,
Circles of smiles are rings
that never end.

A circle of smiles is a ring
you can wear.
A circle of smiles is a gift
you can share.

Sister to brother,

Friend to friend,

Circles of smiles are rings
that never end.
