# Welcome to Springboard Learn

Springboard Learn is Springboard Collaborative's online course catalog. You'll use Springboard Learn to complete courses that support your work with Springboard Collaborative.

To start:
- Go to SpringboardLearn.org.
- Click on the Teacher/Leader button.
- If prompted, enter the same username and password as Connect: Educator.
- **Trouble signing in? Submit a Freshdesk ticket.**

On the homepage, you can find all the information you need.

⭐ Courses assigned to you are listed in the "Learning not started" section.

⭐ Courses you have started but not yet completed will be in the "Learning in progress" section. Be sure to complete the knowledge check.

⭐ To find additional courses, you can search the Catalog (at the top of the screen). *Note: Additional courses taken from the Catalog are not typically compensated.*

Any questions, reach out to your Professional Development Associate.
